# Protect and rejuvenate your pool with the **Aquaguard® Fibretech** pool resurfacing system

The Aquaguard® Fibretech pool resurfacing system is the ultimate solution when it comes to rejuvenating residential or commercial pools. Based on Nuplex Aquaguard® technology the system has an unrivalled field history, proven over decades of use in protecting pools subjected to the harshest of environments.

Suitable for both concrete and fibreglass constructed pools, this enduring four component system comprises both decorative and reinforcement layers.

- Nuplex Aquaguard® Topcoat  
Decorative cosmetic layer.
- Nuplex Vinyl Ester Fill Coat  
Chemical resistant layer, which also provides enhanced surface finish and quality.
- Nuplex Vinyl Ester Laminate  
ECR fibreglass reinforced laminate, superior chemical, water and osmosis resistance.
- Nuplex Vinyl Ester Primer Coat  
Substrate adhesion coat which bonds to your existing pool wall.

The Aquaguard® Fibretech system is available in roller and spray grades. This system should only be applied by qualified professional applicators.

System Features	System Benefits
Highly versatile decorative finish	9 colours to choose from, fully tested to AS:1838
High quality pigments used in the gelcoat	Pigments selected to provide optimum performance and maximum life span for your pool
Extremely UV resistant system	Protects the decorative finish from the damaging effects of UV light and reduces fading over time
Extremely chemical resistant	Products are tested to levels much higher than Australian and New Zealand Standard for chemical fade resistance to ensure a longer lifespan for the cosmetic finish
Excellent water resistance	Vinyl Ester laminate prevent water migration through the pool wall, reducing likelihood of osmosis

# Aquaguard® Fibretech Options

A range of 9 high performance and high opacity topcoats & fillcoats with long history of proven performance in demanding local conditions.

Sapphire Blue

Lagoon Blue

Athol Blue

Nite Blue

Pacific Blue

Fern Green

Kakadu Green

Dove Grey

Sand

When selecting a colour, it should be remembered that the actual surrounding environment, light intensity and type of light will affect the appearance of the colour. Some colour change may occur with time.

Disclaimer: Every effort has been made to try and represent the actual colours in this brochure, however owing to the reflective nature of these finishes and inherent distortions in photographic and printing processes, some variations may be noted.
